## **NOTICE OF CONSTRUCTION (UPDATE)**

### **Plamondon Lift Stations**

#### **Dear Property Owners/Residents:**

Lac La Biche County, 640 Earthworks and MPE Engineering Ltd. are expecting to begin construction of the Plamondon Lift Stations project. The project consists of the installation of two sanitary lift stations and connection to the existing sanitary sewer force main. The purpose of these lift stations is to transfer sewage from Plamondon to the Lac La Biche Advanced Mechanical (BNR) Wastewater Treatment Plant.

<b>Timeline:</b>	<b>February 21, 2023 to December 31, 2023 (Weather dependent)</b>
<b>Scope of Work:</b>	<b>One lift station (the Plamondon LS) at the Plamondon Wastewater Treatment Ponds and one lift station (the Intermediate LS) approximately 10km east of Plamondon along Old Trail.</b>
<b>Hours of Work:</b>	<b>7 a.m. to 7 p.m. Monday – Saturday 9 a.m. to 9 p.m. Sundays &amp; Statutory Holidays (as needed)</b>

#### **Impact to Residents and Local Traffic:**

- Minor traffic delays and interruption to normal flow of traffic throughout the duration of construction.
- At the Intermediate LS, some traffic accommodation measures will be implemented at the intersection of Old Trail and Range Road 153.
- Construction noise surrounding the lift stations through the course of construction.
- No scheduled interruption to County services.

Construction signage will be posted throughout construction. Please use caution around construction personnel and equipment. Be sure to obey all signage and instructions from construction personnel.

We thank you for your cooperation and understanding and look forward to working together towards the successful completion of this project. Contact information for Lac La Biche County, MPE Engineering and 640 Earthworks can be found on the next page.
