

NOTICE OF CONSTRUCTION

91 Avenue Connector & Bold Centre Road Network

Dear Property Owners/Residents:

Lac La Biche County, the Engineering Consultant, and Martushev Logging will be completing infrastructure improvements for the 91 Avenue Connector and Bold Centre Road Network project. The work will improve local roads, utilities, drainage, pedestrian access, and lighting within the project area. Stage 1 construction zones are shown in the attached diagram. Future staging and traffic updates will be posted on the County website and social media channels.

Timeline: June 26, 2026 to October 30, 2026 (weather dependent)
Scope of Work: Utility upgrades, roads, curbs and gutters, sidewalks, lighting, landscaping
Hours of Work: 7:00 a.m. to 7:00 p.m. Monday to Saturday

Impact to Residents and Local Traffic:

- Construction will be completed in stages, with temporary traffic delays, lane restrictions, closures, or detours expected.
- Traffic will be managed with signage, barricades, and/or flag persons as required.
- Regular haul truck movement throughout the hamlet.
- Access to homes, businesses, and public facilities will be maintained.
- Waste & Recycling collection locations will not be affected.
- Temporary water service connections may be required and will be arranged with affected tenants/property owners as needed.

Please comply with all construction signage and barricades and ask that the public stay clear of the work area and haul routes.

We appreciate your patience and cooperation as we complete this important work. If you have any questions or concerns, please contact:
