

NOTICE OF CONSTRUCTION

Wetland Manhole Repair

Dear Property Owners/Residents:

Lac La Biche County will be completing repairs on an existing manhole located within a wetland area off AB-881 Bypass on Range Road 140A, within the Hamlet of Lac La Biche. The completion of this work is required to restore infrastructure integrity and protect the surrounding wetland environment.

Timeline: February 18, 2026, to March 9, 2026

Scope of Work: Build temporary access across wetland; repair manhole; install clay island around manhole.

Hours of Work: 7:00 a.m. to 7:00 p.m. with overnight work on select days.

Impact to Residents and Local Traffic:

- Localized traffic disruptions may occur in the work area.
- Construction equipment and personnel will be active throughout the project duration.
- Noise, site access, and temporary disruptions may occur.
- Emergency response access will be maintained at all times.
- Waste & Recycling and Utility services will not be affected.

Please respect all construction signage and barricades, and we ask that the public stay clear of the work area. We appreciate your patience and cooperation as we complete this important work. If you have any questions or concerns, please contact:
