

## **PLAMONDON TRUCK FILL STATION – NOTICE OF TEMPORARY CLOSURE**

### **Dear Property Owners/Residents:**

Lac La Biche County, MPE, and Renco General Contracting Ltd. are working on the Plamondon Truck Fill Station Expansion. The purpose of this notice is to inform residential and commercial traffic (water haulers) of a temporary closure at the Plamondon Truck Fill Station next week. Once the temporary closure is completed, water haulers will be asked to use the outer lane until further notice.

**Timeline:** March 19th, 2026  
**Scope of Work:** Temporary closure for exterior piping work.  
**Hours of Work:** 10 a.m. to 3 p.m.

### **Impact to Residents and Local Traffic:**

- Location will be unavailable to all water haulers during the noted Hours of Work.
- Utilize the Airport Truck Fill Station located at 67014 Mission Road, Lac La Biche for the duration of the temporary closure.
- Inner Lane will be closed, use Outer Lane for filling after fill station re-opens.

Please respect all construction signage and barricades and we ask that water haulers respect the closure for the duration of the exterior work. We also ask that the public stay clear of the work area.

Any additional updates will be posted on the County website under Construction In Effect at <https://www.laclabichcounty.com/p/current-construction-projects>. We appreciate your patience and cooperation as we complete this important work.
