In accordance with public health regulations, animals will not be allowed at the garden.
5. To be eligible for a community garden plot, the Gardener must be a resident of Lac La Biche County.
6. Garden plots will be assigned on a first come first serve basis. Initial plot requests are limited to one per individual and will have a limited duration of ownership from the first day of confirmed assignment to the date confirmation of clean up for that calendar year. - i. a plot becomes available as a result of forfeiture of the agreement or enforcement of regulations;
 - ii. available plots remain after initial registration deadline and all plot assignments have been made;
 - iii. a Gardener requests permission to share-crop due to hardship or personal circumstances.
7. Registration will begin on April 1st of each year and gardeners will be given notice of deadline at least two weeks prior to the date which will be advertised in the local newspaper.
