

NOTICE OF CONSTRUCTION

Railway Crossing Signals Upgrade

Dear Property Owners/Residents:

Lac La Biche County and CN will soon begin work near the Hamlet of Lac La Biche. This project includes installing signals at the rail crossing on 105 St./ RR 140A. CN will also be completing upgrades to the nearby railway crossing on the Bypass Road / HWY 55.

Timeline: **February 3, 2026, to March 20, 2026**

Scope of Work: **Install controlled railway crossing signals**

Hours of Work: **7:00 a.m. to 7:00 p.m. (Tuesday to Tuesday) 7 days on, 7 off**

Impact to Residents and Local Traffic:

- One way traffic will be maintained throughout the project.
- Flaggers will be on site for equipment crossing roadways.
- Noise and presence of construction equipment/traffic during work hours.
- Waste & Recycling and Utility services will not be affected.

Please respect all construction signage and barricades, and we ask that the public stay clear of the work area. We appreciate your patience and cooperation as we complete this important work. If you have any questions or concerns, please contact:
