

NOTICE OF CONSTRUCTION

Lac La Biche Hamlet Churchill Drive Water and Sewer Replacement & Other Work

Dear Property Owners/Residents:

Lac La Biche County, Canadian Consulting Engineers and Kelsey Pipelines Ltd. will soon begin work in the hamlet of Lac La Biche. The watermains, sanitary sewers, storm sewers, roads, curbs and gutters will be removed and replaced along Churchill Drive, 101 Street, and 104 Avenue. Other work will include a secondary lift of asphalt along 101A Street, and a section of 104 Avenue. A diagram of the work area and traffic accommodation is attached.

Timeline: May 20, 2025 to August 30, 2025 (weather permitting)
Scope of Work: Watermains, sanitary sewers, storm sewers, roads, curbs and gutters
Hours of Work: 7 a.m. – 7 p.m. (Monday to Saturday)
9 a.m. – 5 p.m. (Sunday and Holidays)

Impact to Residents and Local Traffic:

- Local traffic will be impacted, signage and barricades will be in place for the project duration.
- Regular haul truck movement throughout the hamlet.
- Waste & Recycling collection locations may be affected.
- Temporary water service connections will be required and arranged with the tenant/homeowner.

Please respect all construction signage and barricades and ask that the public stay clear of the work area and haul routes.

We appreciate your patience and cooperation as we complete this important work. If you have any questions or concerns, please contact:
