

## LAC LA BICHE COUNTY POLICY

TITLE: DUST ABATEMENT	POLICY NO: PI-30-001
RESOLUTION: 14.022	EFFECTIVE DATE: MARCH 9, 2010
LEAD ROLE: MANAGER, TRANSPORTATION SERVICES	NEXT REVIEW DATE: JANUARY 14, 2016
SPECIAL NOTES/CROSS REFERENCE: IS-31-001/ PW-008	AMENDMENT DATE: JANUARY 14, 2014

### **POLICY STATEMENT:**

In order to provide dust control applications on County roadways for the health and safety of the residents.

### **GENERAL:**

1. Lac La Biche County shall implement the use of Calcium Chloride as a dust abatement product. Dust abatement will be on a cost share with the applicant's portion being that of a \$50.00 Administrative Fee per 200 meters as set out in Policy CS-10-012, Schedule of Fees and Charges.
2. Lac La Biche County may supply dust control applications for a distance of up to 200 meters on municipal roadways, directly in front of farmsteads, residences, cemeteries, community organizations, churches and businesses.
3. If the resident requests treatment for more than 200 meters, they will be responsible for the total additional cost of the additional product as established yearly in the Schedule of Fees and Charges Policy approved by council. Lac La Biche County may be responsible for only one application per year dependent on annual budget constraints.
4. Lac La Biche County will advertise the procedures for dust control, requiring that all interested residents submit an application before April 30 of each year. Late requests may be considered until June 1 dependent on the number of requests received
5. In instances where the Transportation Services Department determines that dust control will not be effective due to road and material conditions, or that the application will degrade the current road status to an unsafe condition, the work shall not be completed and the resident will be notified by the Manager of Transportation Services.
6. Lac La Biche County does not guarantee in any way the effectiveness of the dust control agent or the application.
7. Lac La Biche County reserves the right to maintain and grade the treated sections of any roadway as necessary to ensure a safe driving surface. Lac La Biche County may restore

the dust control application at the County's discretion, should damages occur through the county maintenance activities.

8. The application of dust control on gravel haul roads is at the discretion of Manager of Transportation Services.
9. In areas where dust control measures are not warranted by this policy, dust control measures may be completed upon customer's request, however the customer shall bear the total cost as established in the Schedule of Fees and Charges Policy.
10. Lac La Biche County may offer dust control services to residents solely dependent on annual budgetary constraints.
11. At the CAO's or designates discretion, dust control may be applied on any County Road as applicable.
