Mayor Moghrabi asked if there was anyone present wishing to speak in support of the proposed bylaw.

There was no one wishing to speak in support of the proposed bylaw.

Mayor Moghrabi asked if there was anyone present wishing to speak in opposition of the proposed bylaw.

Ms. Carol Plamondon, representative of the Historical Chapelle Society of Plamondon, expressed concern that the property owned by the Chapelle Society was misrepresented in the proposed Hamlet of Plamondon and Area – Area Structure Plan. She noted that Lot 22 is listed as commercial land when it is zoned institutional, and is listed as vacant when it is occupied and being used by several of the residents.

Ms. Plamondon further stated there are two churches in Plamondon, the St. Isodore Catholic Church located on 99th and 100th Street and the Plamondon Chapelle located on Lot 24. She expressed her disappointment that the Plamondon Chapelle had little to no mention and felt it should have been acknowledged as a historical site.

Ms. Amanda Plamondon, resident on the north hill of Plamondon, stated she was not against rezoning, however wanted assurance that Council would advise landowners if a rezoning application was made regarding their land.

Mr. Shaw clarified rezoning of land could not be done without the initiative and permission of the landowner.

Ms. Plamondon expressed her concern, and that of her neighbors, regarding notification of a commercial business purchasing surrounding lands and rezoning it commercial.

Mr. Shaw explained there is no notification process for transfers of title, but if the owner applies for a building permit, or a rezoning application, notification would be sent to the adjacent landowners potentially affected by the development.

Ms. Joanne Onciul, Legislative Services Officer, read into record, a letter dated September 11, 2017 from Cory and Terri St. Jean, advising their lack of support for the proposal to rezone their property commercial as outlined in the proposed bylaw for the Hamlet of Plamondon & Area – Area Structure Plan.

Ms. Onciul read into record, a letter received on September 11, 2017 from Denis & Paulette Pare, Nevin & Amanda Plamondon, and Bernice Plamondon-St. Jean, opposing the proposed Area Structure Plan and stated they do not wish their land to be rezoned commercial.

Ms. Onciul read into record, a letter dated September 12, 2017 from Mr. Brian Deheer, expressing his appreciation for environmental considerations made throughout the proposed Area Structure Plan and asked for clarification on concerns he had with the proposed Plan.

Mayor Moghrabi asked if there was anyone further wishing to speak for or against the proposed Bylaw 17-015.

There was no one further wishing to speak in support of or in opposition of the proposed Bylaw.

Mayor Moghrabi asked if the Mr. Shaw wished to make any closing comments.

Mr. Shaw reiterated that the proposed Bylaw 17-015 was not a rezoning bylaw but a proposed Area Structure Plan developed to identify the best use of the land for the future. He reminded concerned landowners that rezoning of individual properties is not allowed without the permission and cooperation of each landowner.

Mayor Moghrabi thanked the presenters for their comments, and declared the public hearing closed at 10:44 a.m.
