

Notice of Construction

Lac La Biche County and Knelsen Sand and Gravel wish to advise you that construction on Elinor Lake Road (Twp. Rd 652) is scheduled to begin May 14, 2018.

The work will involve earthwork, culvert repair/removal, grading and paving along Elinor Lake Road from the end of the existing pavement to RR 113 in Lac La Biche County. The total length of roadway surface affected is 11.4 km and with that in mind, minor detours will be required throughout the project.

During this time there will be numerous personnel, including sub-contractors and heavy equipment, along the construction zone. Please obey detour and temporary traffic signs and workers will do their best to keep inconveniences for motorists to a minimum.

Duration: May 14 - Oct 30, 2018

Work Activity: Grading, Paving, Drainage and Ditching

Work Hours: 7:00 a.m. – 7:00 p.m. and at times 24hrs

Impact to Residents and Local Traffic

- Equipment moving up and down the roadway and within the right of way
- Access restrictions as communicated with the landowners and/or residents
- Reduced speed limit in construction zone
- Possible flying debris in immediate area of working equipment
- Elevated noise level in area of working equipment
- Higher level of construction traffic in immediate area of work
