

NOTICE OF CONSTRUCTION

Lakeview Crescent Water & Sewer Rehabilitation

Dear Property Owners/Residents:

As part of the Lakeview Crescent Utilities and 99 Street Surface Rehabilitation Project, Thompson Infrastructure Ltd. and its subcontractors will be carrying out warranty work, including roadway, curb, and sidewalk repairs in Phase 3, as shown in the Overall Phase Plan on page 2 of this notice. The road and surface work restoration will include **repairs of concrete curb and sidewalk and the paved roadways throughout the work area**, and may cause **vehicle access delays as well as intermittent parking closures** within the Phase 3 area.

Timeline: Monday, June 20, 2022, to Thursday, June 23, 2022
Scope of Work: Asphalt Roadway & Concrete Curb and Sidewalk Repairs
Hours of Work: 7 a.m. to 7 p.m.

Impact to Residents and Local Traffic:

- Noise and presence of construction equipment/traffic.
- Portions of existing sidewalks, curbs, and gutter will be removed and replaced.
- During this period, there will be no parking in select areas of Phase 3.
- There will be areas of **wet concrete** at various times throughout construction. Please take special care to avoid these sections of wet concrete while they cure. Concrete pours will be staged to avoid blocking off entire sections of homes at any one time.
- No disruption to waste and recycling services.
