### **Establishment of a Fire Rescue Service**

**3(1)** Council hereby establishes Lac La Biche County Fire Rescue, for the purposes of:

- (a) preserving life, property and the environment;

- (b) protecting Persons and property from injury or destruction by Incidents;
- (c) carrying out mutual aid agreements made by the County;
- (d) providing safety services in accordance with the approved Quality Management Plan; and
- (e) enforcing the provisions of the *Safety Codes Act* and its regulations in accordance with the Quality Management Plan.

(2) The Fire Rescue Service shall provide Fire and Rescue Services in accordance with the Level of Service Policy, as approved by Council.

### **Regional Fire Chief**

4(1) The Regional Fire Chief, or the Incident Commander at a fire is empowered to cause a Structure or thing to be pulled down, demolished or otherwise removed if he deems it necessary to prevent the spread of fire to other Structures or things.

(2) The Regional Fire Chief, or the Incident Commander at a fire is empowered to enter Premises or property where the Incident occurred and to cause any Member, Apparatus or Equipment of the Fire Rescue Service to enter as he deems necessary, in order to mitigate the Incident.

(3) The Regional Fire Chief, or the Incident Commander at an Incident may, at their discretion, establish boundaries or limits and keep Persons from entering the area within the prescribed boundaries or limits unless authorized to enter by them.

(4) The Regional Fire Chief, or the Incident Commander at an Incident is empowered to enter, pass through or over Structures or property adjacent to an Incident and to cause Members of the Fire Rescue Service, and the Apparatus and Equipment of the Fire Rescue Service to enter or pass through or over the Structure or property, where he deems it necessary to gain access to the Incident or to protect any Person or property.

(5) The Regional Fire Chief, or the Incident Commander may obtain assistance from employees of the County, as deemed necessary, in order to perform his duties and responsibilities under this bylaw.

(6) The Regional Fire Chief or the Incident Commander of an Incident may:

- (a) Commandeer Privately Owned Equipment and/or Apparatus, which is considered necessary to mitigate an Incident;
- (b) Enter Privately Owned property for the purpose of accessing resources considered necessary to mitigate an Incident;
- (c) Hire Privately Owned Equipment and/or Apparatus in accordance with any policies adopted by the County related to the hiring of Equipment and /or Apparatus, which is considered necessary to mitigate an Incident.

## **Fire Guardians**

**5(1)** Council hereby delegates to the CAO, the authority to appoint persons to be Fire Guardians in accordance with the FPPA, to administer specified provisions of this section. Furthermore, the CAO has the authority to further delegate this responsibility to Administration.

**(2)** Each Fire Guardian shall have the authority and power to:

- (a) Issue a Fire Permit in respect of any land within the County, except that part of the County that is within a Forest Protection Area as reference in Schedule B, in accordance with Fire Permit issuance procedural guidelines;
- (b) Issue a Fire Permit unconditionally or impose conditions upon the applicant which the Fire Guardian considers appropriate;
- (c) May suspend or cancel at any time a Fire Permit and on receiving notice of the suspension or cancellation the Person concerned shall immediately extinguish any fire set pursuant to his permit;
- (d) Enforce the provisions of the FPPA and this bylaw within the boundaries of Lac La Biche County; and
- (e) Refuse issuance of a permit on reasonable and probable grounds that a public safety risk or risk of damage to property exists related to the proposed fire.

## **Recovery of Costs**

**6(1)** Where Fire Rescue Services has mitigated an Incident, including a False Alarm, the Fire Rescue Service, may in respect of any costs incurred in taking such action, charge any costs so incurred to any Person(s) found to have caused the Incident, who acted in an intentional or negligent manner.

**(2)** When costs are charged pursuant to section 6(1), the costs shall be in accordance with the approved County fee schedule, plus any additional expenses incurred.

**(3)** If anyone refuses or fails to pay an account issued pursuant to sections 6(1) hereof, and the account is in arrears for sixty (60) days or more, the County may recover the costs as a debt due to the County, or, at the County's option, if authorized by statute, may add the amount to the tax roll, charging the land therefore and collect it in the same manner as taxes due.

**(4)** In the event that anyone disputes the issue of, or the amount of an account issued to them under sections 6(1) hereof, a Person against whom costs are levied may request a review of said costs by the CAO whose decision will be final and binding.

## Prohibitions

- 7(1)** No Person at an Incident shall obstruct a Member of the Fire Rescue Service or other Person assisting or acting under the direction of the Regional Fire Chief, or the Incident Commander of an Incident.
- (2)** No Person shall enter the boundaries or limits of an area prescribed in accordance with section 4(3), unless he has been authorized to enter by the Regional Fire Chief, or the Incident Commander.

## **Outdoor Fires**

**8(1)** Section 8 herein applies to any lands within the County, except that part of the County that is within a Forest Protection Area as referenced in Schedule B.

**(2)** For the purposes of this bylaw the Fire Season shall be as established by section 17 of the FPAA regarding all outdoor fires on, in or under lands within the County to which this bylaw applies, unless specifically exempted by this bylaw.

**(3)** The owner, occupier or Person in control of any Premises on which there is a fire or Fire Hazard which is not an emergency shall report it forthwith to the County. An emergency shall be reported to the Fire Rescue Service.

**(4)** No Person shall cause or permit an outdoor fire upon land owned, occupied or under his control within the County during Fire Season unless a Fire Permit has been obtained, and the provisions and conditions of the Fire Permit are complied with.

**(5)** Any fire permitted under this bylaw shall be contained to a reasonable size so that the fire, or any embers, sparks or smoke emanating there from do not endanger any Person or property or cause any objectionable effect on nearby property.

**(6)** Every Person who builds, ignites or allows a fire on a Premises must ensure that the fire is supervised and controlled at all times.

**(7)** Notwithstanding section 8(4) a Fire Permit shall not be required under this bylaw where:

- (a) the fire is an attended fire in a Fire Pit in accordance to section 9 hereof and has been lit for cooking or warming purposes; or
- (b) the fire is a flare stack used in the petroleum industry; or
- (c) the fire has been set by the Fire Rescue Service for the purpose of training firefighters.

**(8)** A Person who during a Fire Season knows or has reason to believe that there is an outdoor fire, not authorized by a permit issued to them, on land Premises s owned or occupied by them, or under their control, shall extinguish the fire; or if they are unable to extinguish the fire, immediately report the fire to the Fire Rescue Service.

**(9)** Outdoor fires, unless exempted by section 8(7) hereof, shall not be permitted on lots under five acres in size.

## **Fires in Fire Pits**

**9(1)** Section 9 herein applies to any lands within the County, except that part of the County that is within a Forest Protection Area as referenced in Schedule B of this bylaw.

**(2)** A Person may build, ignite, or allow a fire on a Premises in a Fire Pit if that Person ensures that the fire is contained in a Fire Pit that:

- (a) is constructed of non-combustible material;
- (b) has an open flame area that does not exceed 1 metre at its widest point;
- (c) has walls which are a minimum of 0.60 metres in height measured from the floor of the Fire Pit to the top of the wall of the Fire Pit excluding any chimney;
- (d) is set upon or built into the bare ground or a non-combustible material such as brick or stone;
- (e) is situated at least 3 metres from any house, garage or similar Structure including wooden decks, porches, and similar amenity space attached to a Structure measured from the part of the Fire Pit which is closest to the Structure or amenity space;
- (f) is situated at least 3 metres from any other combustible material measured from the part of the Fire Pit which is closest to the combustible material;
- (g) is not located directly under any tree, overhanging branches or aboveground utility wires, or over any underground utilities; and
- (h) may be covered with a non-combustible mesh screen with openings no greater than 1.25 centimetres across.

**(3)** A Person may build, ignite or allow a fire in a Portable Fire Receptacle on a wooden deck if that Person ensures that:

- (a) a non-combustible material such as brick or stone is placed between the Portable Fire Receptacle and the wooden deck; and
- (b) the Portable Fire Receptacle is situated at least 3 metres from any house, garage, similar Structure or other combustible material, measured from the part of the receptacle which is closest to the Structure or combustible material.
