WASTE CONTAINING RECYCLABLE MATERIAL(S)

Waste containing recyclable material(s) consists of a mixed load containing waste and recyclable materials that have not been sorted. At the discretion of Lac La Biche County, a minimum surcharge of \$100 will be applied to any loads that require sorting by County employees, with an additional applied rate of \$50/hour for each employee required.

WASTE

Waste is strictly considered any materials that are not included on the Sorted Recyclable Materials list above and cannot be recycled.

Lac La Biche County reserves the right to inspect loads and determine which fees shall apply to the loads. If there is a dispute over the contents and corresponding fees of the materials between the landfill account holder and Lac La Biche County staff, Lac La Biche County reserves the right to reject the load from being disposed of at the waste management facility.

If disposal must occur outside regular landfill hours, please contact Environmental Services at 780-623-6739 or email green@laclabichedcounty.com to arrange for accomodation.
